COMMENTS

The site is within Unit 101 of the existing Pepperwood Pointe commercial shopping center, located at the southwest corner of Baseline Road and Hardy Drive. The proposed location is in conformance with Section 3-423 – Use Separation Requirements, which prohibits tobacco retailers from being located on a lot within 1,320 feet from the lot line of a charter school, private school, or public school, which provides elementary or secondary education. The applicant was made aware of the tobacco initiative and proposed flavored vape ban.

PUBLIC INPUT

On February 3, 2023, Staff received one phone call inquiry regarding the separation requirements for tobacco retailers. Staff explained that separation requirements refer to the distance between smoke shops and any school that provides elementary or secondary education, not other smoke shops. The caller was satisfied and indicated that there were no concerns with Stogies.

USE PERMIT

The proposed use requires a Use Permit for a tobacco retailer within the CSS zoning district.

Section 6-308(E) Approval criteria for Use Permit (*in italics*):

4. *Compatibility with existing surrounding structures and uses*; the proposed use is compatible with the existing businesses in the commercial center.
5. *Adequate control of disruptive behavior both inside and outside the premises which may create a nuisance to the surrounding area or general public*; the business is expected to monitor customer behavior to have adequate control of disruptive activity inside and outside the premises.
