Tempe's bulk/uncontained collection service provides residents the opportunity to dispose of bulky items that do not fit in a trash container, such as furniture and non-freon appliances, and divert green organic material from the landfill at no additional charge.

To ensure an efficient collection, residents must place items by 6 a.m. on Monday of their scheduled collection week, no earlier than 10 days prior. Holidays observed during the week will not affect the collection schedule.

- The amount of material is limited to 10 cubic yards: the size of a small SUV.
- Only homeowners who conduct their own yard work can place their own green organics for collection. Landscapers are prohibited from placing green organic material for collection.
- Prohibited items, such as dirt, rock, concrete, cement blocks, bricks, asphalt, roofing materials, plaster, rolls of carpeting/padding, glass, railroad ties, car parts, appliances with freon, demolition, construction or scrap lumber, are not eligible for pick up.
- Please separate trash and green organics into two distinct piles and place four feet apart.
- All materials must be four feet away from any trash container, fire hydrant, gas meter, telephone or other utility boxes. Do not place any items over maintenance hole covers.

The 2024 bulk/uncontained trash and green organics collection schedule is available online at [tempe.gov/BulkTrash](https://tempe.gov/BulkTrash). Residents can call Tempe 311 at 480-350-4311 to request a mailed copy of the schedule. Para información en español, por favor llame a 480-350-4311.

# REAL CHANGE

## not spare change

Maximize your generosity - be a healthy giver!

### Did you know....

- When resources are provided on the streets, a person is diverted from getting lasting help
- One-off giving can prolong a person's recovery from addiction
- It's dangerous to step out among vehicles to collect money or interrupt the flow of traffic

Support a person's long-term needs by donating to the Together Tempe Healthy Giving campaign. Your funds will assist nonprofits working to end homelessness in Tempe.
