MEMORANDUM

TO: Mayor and Council

FROM: Lauri Oszakiewski, Senior Municipal Budget & Finance Analyst

THROUGH: Tom Duensing, Deputy City Manager

Lisette Camacho, Financial Services Director

DATE: April 5, 2024

SUBJECT: Tax Revenue Statistical Report - February 2024

Introduction

The Municipal Budget Office (MBO) reviews the City's privilege (sales) tax collections for the General Fund (1.2%), Transit Fund (0.5%) and Arts & Cultural Fund (0.1%) and the General Fund bed tax (5.0%) in order to monitor the financial performance of the City's largest revenue source. This monthly analysis also provides the opportunity to determine if adjustments need to be made for any significant variances to ensure continuity of programs and service delivery. The February 2024 report summarizes our analysis of the January sales activity reported to the Arizona Department of Revenue (ADOR).

Overall Highlights

Total fiscal year to date taxable *sales* increased by 1.9% over the same year to date period in the prior fiscal year. Total sales tax *revenue* is up 1.9% or \$2.8 million, due to growth in rentals (\$1.5 million), contracting (\$1.1 million) and retail (\$451 thousand) activity. The attached Executive Summary provides a summary of historical and current fiscal year taxable sales, sales tax collections by fund, tax revenues by business activity, and an analysis of retail tax revenues by activity.

General Fund Highlights

As the General Fund portion of the City's sales and bed tax revenue collections represents the General Fund's largest revenue source, further analysis is performed on these specific tax collections. The graph below depicts year to date General Fund historical sales and bed tax revenue from FY 2014/15 through FY 2023/24. General Fund sales and bed tax revenue for FY 2023/24 is up 2.3% or \$2.2 million over the prior year to date period.

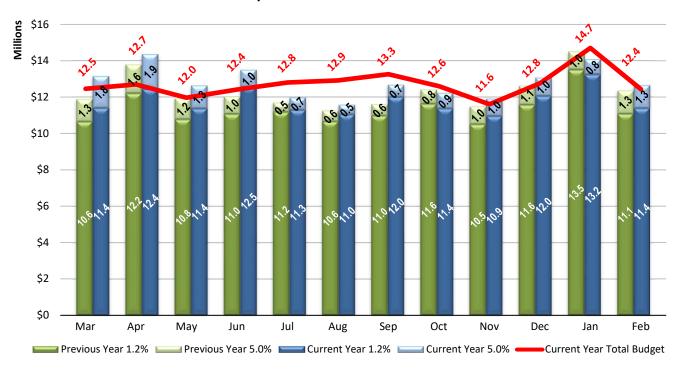

General Fund Year to Date Sales and Bed Tax Collections through February

■ Feb YTD 1.2% Sales Tax ■ Feb YTD 5.0% Bed Tax

In addition to the 10-year historical comparison, we also review 12 months of General Fund monthly sales and bed tax collections compared to the previous year and to the FY 2023/24 adopted budget for the combined sales and bed tax, as noted in the graph below.

General Fund Monthly Sales and Bed Tax Collection vs. Previous Year

Finally, the MBO prepares the attached Actual to Budget Comparison report that provides a summary of FY 2023/24 General Fund sales tax, bed tax, and a combined total sales and bed tax collections compared to a projected budget amount for the month. Although sales and bed tax are not actually budgeted on a monthly basis, this type of analysis of actual collections compared to projections provides insight into sales and bed tax performance. Using this approach, fiscal year to date General Fund sales tax is \$2.2 million below revenue projections, General Fund bed tax is \$782 thousand below projections, and the combined General Fund sales and bed tax collections for the General Fund are \$3.0 million below the revenue projection.

The Municipal Budget Office is closely monitoring the above noted fiscal year to date variance of sales and bed tax collections compared to the projected amount. Sales and bed tax collections will experience variances from our projections that were based on historical trends. This is due to a variety of factors including inflation, supply and labor shortages and fluctuations in the overall economy. In the future, if sales and bed tax collections continue to experience negative variances from projections and overall revenue collections are not meeting projections, the City will make necessary budget adjustments to ensure continuity of programs and service delivery.

SUBJECT: 2024 Law Day Program

Each year the American Bar Association selects a theme for Law Day, a national celebration to cultivate a deeper understanding of the legal profession and the role of law in our society. "Voices of Democracy" is this year's theme. For the 22nd year, a Tempe Judge has taken the theme and created a presentation for fourth, fifth, and sixth grade students. This educational outreach program and art contest is in partnership with the City's Kid Zone after-school program and Tempe Schools.

As part of the presentations, students are encouraged to use their imagination along with crayons, colored pencils, paints, and other mediums to depict the theme. All contest entries are displayed in an art exhibit presented by the Tempe History Museum. In 2023, more than 100 contest submittals were displayed! In addition to the art contest, the city and I will be hosting Law Day at the Library on Saturday, April 6th at 1 pm. Students are encouraged to work on Law Day art contest entries with supplies provided by the library and participate in activities such as Wacky AZ Laws Trivia and J-U-D-G-E BINGO.

Seven contest winners will be announced and recognized by Tempe Mayor Corey Woods, Councilmembers, and Judge Barsetti at the Regular Council Meeting on Thursday, April 25th at 6:00 p.m. The 2024 Law Day art exhibit will be displayed at the Tempe History Museum from April 23rd to May 5th. You are invited to witness how Tempe students have used art to depict the importance of Voices of Democracy.

SUBJECT: 2024 Arizona Veterans StandDown

On March 21st and 22nd, 2024, the Tempe Municipal Court participated in the annual Arizona Veterans StandDown event. This event was held at the Arizona Veterans Memorial Coliseum in Phoenix. The StandDown is an alliance of community-based organizations connecting homeless and at-risk military veterans with services, such as housing, healthcare, employment, Social Security, showers, haircuts, meals, and pet assistance. It is also an opportunity for veterans to resolve outstanding matters with the courts and the Arizona Department of Transportation.

Approximately 1276 veterans participated in this event (73 registered with the courts). The Tempe Municipal Court assisted 17 veterans with their Tempe cases and an additional 56 veterans on behalf of other courts that requested that we act on their behalf.

One of the success stories to come out of the StandDown is Mr. Vincent Long. Mr. Long first interacted with the City of Tempe HOPE team when he was living in the Tempe River Bottom, the area where he had been living for 13 years. He was arrested on May 11, 2023 on a Criminal Trespass charge and was picked up as a result of the City of Tempe River Bottom outreach. Mr. Long was identified as a veteran and was referred into East Valley Regional Veterans Court. Mr. Long was not eligible for VA services at the time but was introduced to many services here in Tempe and the surrounding area. He successfully completed Veterans Court and graduated in February of 2024 with his charge dismissed. We had the privilege of seeing Mr. Long at the Veterans StandDown on March 22, 2024. Tempe Municipal Court was able to resolve Mr. Long's last remaining open Tempe case from 2016. We also learned that he is now housed in his own apartment, has his own bicycle for transportation and is actively seeking employment. He continues to work with CARE 7 to get further services through the VA and is now eligible to receive medical benefits.

Mr. Long expressed his gratitude for how Tempe has helped him come from the River Bottom to permanent housing and hope for employment.

The City of Tempe is supportive of the men and women who have served in our armed forces. It was an honor for the Tempe Municipal Court and its employees to provide services to participants at the StandDown on behalf of Tempe and other courts. The website for this alliance is www.arizonastanddown.org.

Escalante Multigeneration Center Partners with USA Triathlon

In an ongoing partnership, Escalante Community Center After School Program and USA Triathlon teamed up to provide new training opportunities for the students and staff in our After School Program. Staff were trained as coaches so they could provide the training to our youth participants. USA Triathlon organization provided the coach training at no cost to one coordinator, four after school program staff and one volunteer. This virtual training equipped the Escalante staff on appropriate techniques and training structure. Escalante coaches have integrated the USA Triathlon curriculum into afterschool program activities including our running program. Our coaches are already planning for next year and look forward to working with USA Triathlon, including participating in local events.
