the WaterSmart
customer portal

"I was shocked to come to the realization of how much water our home was using. I am familiar with the various water systems and welcomed Tempe's approach to helping my efforts of conservation. The Tempe water specialist ... is like having a friend in a position to help me through this process."

-Tempe Resident

Tempe provides resources to help residents and businesses conserve:

- Rebates and incentives
- Indoor and outdoor water consultations
- Sustainable Living Workshops
- Brochures and digital resources
- WaterSmart customer portal
- Youth education program on water conservation

Visit tempe.gov/conservation or call 480-350-8351.

Quality Care

Enjoy your parks

Tempe is home to more than 50 neighborhood and community parks. Here are some ways we can help everyone have a safe, enjoyable experience in our parks:

- Get a permit if you plan to use amplified sound or drink alcoholic beverages.
- Keep dogs on 6' leashes if you and your pup aren't in a dog park.
- If you want to use a ramada for more than four hours a day, please get a reservation.
- Keep access to trails, sidewalks and park amenities clear so that everyone can use them.
- Don't use park water for bathing, washing clothes, cleaning fish or other unsanitary activities.

- For safety's sake, don't bring glass containers to our parks.
- Call 480-350-4311 if you see activities that are unsafe.

Have a question about a Tempe park or want to report a rule violation?

Tempe Park Rangers are available to provide information, resources and assistance. Get in touch at 480-350-4311, tempe.gov/311 or the Tempe311 app.

Visit tempe.gov/parks to find a park near you, reserve a ramada, read all the park use rules or get a permit.
