MEMORANDUM

TO: Mayor and City Council
FROM: Kara DeArrastia, City Clerk
DATE: October 18, 2024
SUBJECT: November 5, 2024 Special Bond Election Update

Below are updates regarding the November 5, 2024 Special Bond Election, for the week ending October 18, 2024.

Last Day to Request a Mail Ballot is October 25

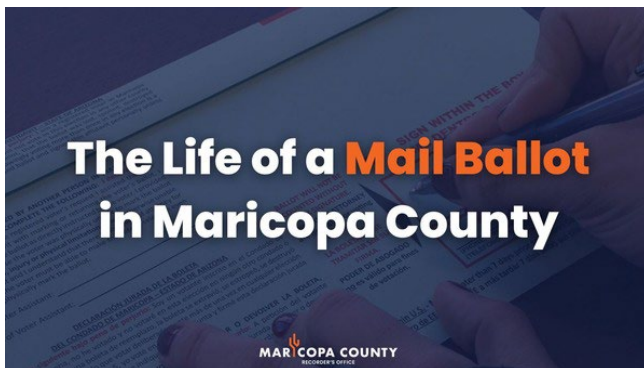

The last day to request a ballot by mail for the November 5 General Election is **5 p.m. on Friday, October 25**. Voters who wish to vote by mail must submit their request by this deadline to ensure timely receipt of the ballot. Voters can visit [Request.Maricopa.Vote](#) or call Maricopa County Elections at (602) 506-1511 to make their request. This option provides the convenience of voting from home, allowing voters to carefully review their choices before completing and returning the ballot.

Ballot Tracking and Security in Maricopa County

Maricopa County employs comprehensive tracking and security measures for all mailed ballots. Each ballot features an intelligent mail barcode, enabling precise monitoring from delivery to counting. Voters can track their ballots by texting “JOIN” to 628-683 or visiting [BeBallotReady.Vote](#). The Office of the Recorder implements extensive security protocols throughout the ballot’s journey, including transportation from post offices and onsite safeguards. These measures ensure ballot integrity, provide transparency, and reinforce voter confidence in the electoral process.

The Journey of a Mail Ballot: From Printing to Counting in Maricopa County

[The Life of a Mail Ballot in Maricopa County video](#)

provides a detailed overview of the journey an early mail ballot takes from preparation to tabulation. It begins by explaining how Maricopa County uses third-party vendor Runbeck Election Services to print and assemble ballots and mail them to voters. The process involves advanced machinery that ensures accuracy, packaging, and tracking. Once voters complete and return their ballots, either by mail or drop box, Maricopa County collects and

transports the envelopes securely for signature verification.

The signature verification process compares the voter's signature on the green affidavit envelope with the signatures on file. Once verified, the ballot is separated from the envelope to ensure anonymity, and the ballot is prepared for tabulation. Bipartisan teams handle the ballots, ensuring the process is secure, auditable, and transparent. Any issues, such as unreadable ballots or overvotes, are addressed by bipartisan adjudication teams. Early ballots are tabulated before Election Day November 5 but stored securely and air-gapped until results are released on Election Night.

Late-arriving ballots and ballots that require signature curing follow the same steps, although their results may be reported later. Throughout the process, voters can track their ballot's status in real time by texting "JOIN" to 628-683.

For more voting resources, visit [BeBallotReady.Vote](#). More questions? Email voterinfo@risc.maricopa.gov or call (602) 506-1511.

2024 General Election Key Information for Maricopa County Voters

Voters can check out important information about Maricopa County Elections by watching the latest episode of [Maricopa Votes](#). Voters can also visit [JustTheFacts.Vote](#) to sign up for a monthly newsletter from Maricopa County Elections and have new Maricopa Votes episodes delivered to their inbox so they stay informed about upcoming elections.

The 2024 General Election introduces several important changes and key dates for Maricopa County voters. For the first time since 2006, voters will receive a two-page ballot, printed on both sides, due to the high number of contests. Early ballots were mailed out on October 9, with most voters receiving them within days. Ballot tracking is available by texting "JOIN" to 628-683.

To prepare, voters can access their sample ballot at [BeBallotReady.Vote](#). This tool allows for contest research and preparation before voting. Those not registered for mail voting will receive a physical sample ballot.

Early in-person voting began October 9, with additional Vote Centers opening throughout the month. Locations and hours can be found at [Locations.Maricopa.Vote](#). For those preferring mail voting, requests can be made at [Request.Maricopa.Vote](#) by **5 p.m. on Friday, October 25**. The last day to mail ballots is **Tuesday, October 29**, but they can be dropped off at Vote Centers or Drop Boxes until 7 p.m. on Election Day November 5.

Visit tempe.gov/bond for more information about the November 5, 2024 Special Bond Election, including an electronic version of the informational pamphlet, videos about the three bond questions, and an informational handout and presentation. Future updates will be provided throughout the election season as needed.
