# Community Gardens

## Escalante

### Community Garden:

an organic garden that follows a communal model. A portion of the garden's produce goes to the volunteer members who labor two hours a week in the garden.

Another portion of the garden's harvest is given to the Tempe Community Action Agency Food Pantry

# Community Gardens

**Clark Park  
Community Garden:**  
a collaborative effort of the Clark  
Park and Marilyn Ann  
Neighborhood Associations, and  
Tempe Community Action Agency.  
The garden was created in 2014  
at the site of a former municipal  
pool. The Garden has built 21  
beds, of which 18 currently are  
rented.

# Community Gardens

## Ehrhardt Park:

The City of Tempe was approached by Friendship Village with the idea of creating a community garden located in Ehrhardt Park in the grassy area adjacent to Friendship Village's south wall.
