Agenda Item 4 – Proposed Bus Service Changes Presentation and Discussion

Greg Jordan, Interim Public Works Deputy Director presented potential transit service changes for July 2012. This is the third round of a 3-year plan to stabilize the transit fund. Most proposals impacted express and Orbit routes, including a proposed fare for Orbit. The public comment period ends March 30. Commissioners filled out and turned in the public input survey on the potential changes.

Commissioner Adams expressed concern that the public outreach had an online emphasis, which missed seniors. She suggested staffing a table at Pyle. The topic of a new Orbit fleet was also discussed. The City has a grant for a prototype and will conduct analysis and a comprehensive public process prior to choosing the fleet. There is regional capital funding for the new fleet, proposed cuts are to the operating budget. The streetcar operating costs would have to be figured in after a balanced budget.

Agenda Item 5 - Commission Goals and Objectives Discussion

Commissioners reviewed the proposed Goals and Metrics and made the following changes:

Goal 1 – Metrics 1-2, add in numbers to determine amount to increase.

Goal 3 – Metric 2, modify to reflect that there may be more than one issue identified.

Goal 3 – Metric 3, modify last section to say “with maintenance on private property.”

Staff will provide a list and schedule of current safety events at the next meeting. Select commissioners also reported out on their experience reporting violations in their neighborhoods. The 2011 Community Satisfaction Survey will be presented to Council at their meeting on March 8. The results show that satisfaction with the enforcement of property maintenance codes has declined.

The Commission tentatively scheduled a park cleanup for 6th Street park for April 14, 2012 with an 8:00 – 8:30 a.m. start time. Staff will check with all Commission members on availability as well as with parks staff on a list of what needs to be done. Commission members still need to check with For Our City on their fall clean up.

Agenda Item 6 – Neighborhood Workshop and Awards Planning Update

The awards and workshop will take place Saturday, April 28. Shauna reviewed the program as well as the process for April’s meeting to consider and vote on award nominations.
