

Solid Waste Programs and Services Update

Work Study Session
August 27, 2019

Tempe
Making waves in the desert

Council Priority 4: Sustainable Growth & Development

Performance Measure 4.04: Achieve or exceed the Council adopted Solid Waste diversion rates by 2020

	Target	Baseline (FY15/16)	Current
Residential	40%	18.80%	22.80%
Commercial	25%	4.90%	24.20%

- Tempe's commitment to the recycle program
- Engage residents about the impacts of a potential residential route
- Explore cost savings to relocate trash services to curbside
- Explore the commercial sale of our compost and inert materials

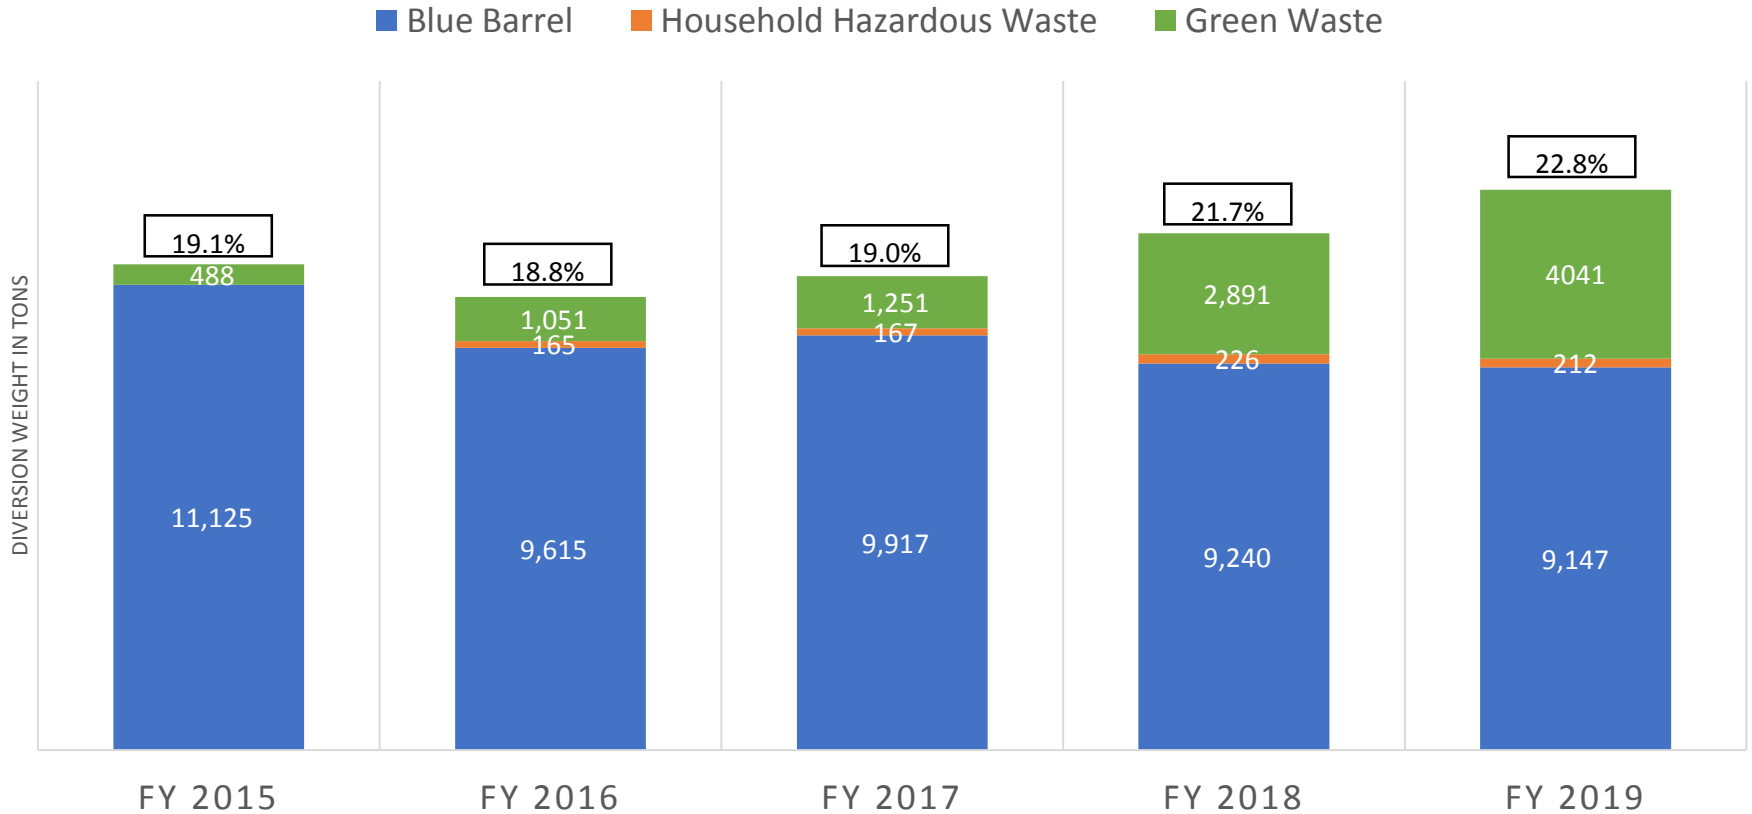

Valley Solid Waste Rates

City	Solid Waste Monthly Fee
Mesa	\$29.34
Phoenix	\$26.80
Tempe	\$25.60
Glendale	\$21.80
Scottsdale	\$18.75
Peoria	\$15.29
Gilbert	\$14.80

Residential Diversion Goal 40% by 2020

Potential Residential Reroute

● Current Collection Days

Monday/Thursday north of US60

Tuesday/Friday south of US60

● Potential Collection Days

Will be determined by living units and tonnage
