Please know all the locations listed can take registration and payments. You do not need to register or pay at the location of the sport/activity you are participating in. We recommend all registration and payments come to our main office so Samantha Mason gets them directly, but you are welcome to register and pay at any of the listed locations.

All locations can take cash, check or credit card for payments.

Please remember that tempe.gov/brochure is also an option that is an online tool, you will need your activity code to find your sports/activity and those codes are always listed in the registration and brochure.
