

Rock Painting Kit Instructions

Materials:

- Lemon-sized rock
- Paint brush
- Acrylic paint

Instructions:

- Clean your rock with soap and water and allow it to dry in the sun (dirt can mess up your designs).
- Add a fun design, or write a positive note like, "Be the Change" on your rock. You can find fun rock painting ideas on Google. There are some ideas in the picture above.
- Spread kindness by leaving the rock in Tempe Woman's Club Park for a neighbor to find and share!

Hil I'm Hydro, the Water Distribution Technician. My job is to make sure the clean drinking water travels safely through underground pipes. I check the distribution lines and fire hydrants for leaks. If there is a leak, I fix it as quickly as I can.

A leaking pipe can cause major damage to streets and buildings. I also take water samples from different locations and bring them to the water quality lab to ensure our water is safe.
