**B. Annual Plan Elements**

**B.1 Revision of PHA Plan Elements**

**Financial Resources:** The City of Tempe provides a recurring Administrative Fee supplemental funding of \$190,000 per Fiscal Year in support of the Housing Authority. Due to the uncertainty of the Administrative Fee Funding proration, it is expected that this supplemental funding will continue.

**Rent Determination:** During the Fiscal Year beginning July 1, 2017, the PHA began implementing Payment Standards in accordance with HOTMA and reasonable accommodation increases to 120% of FMR. There is no decrease in the payment standard if the FMR decreases as long as the family remains in the same unit, decreases would be effective upon the move to a new unit. Additionally, the PHA utilizes Go Section 8 as the software provider to assist with Rent Reasonableness Determinations. At this time the full implementation is complete and Go Section 8 has been fully integrated into the Rent Reasonableness Determination process.

**B.2 New Activities:** The PHA is actively undertaking new activities; however, not specifically listed on HUD Form. The PHA is a part of the City of Tempe's Housing Services Group, and as such actively participates with the other services provided:

- The Agency is currently administering a HOME TBRA program designed to end/prevent homelessness for individuals who are currently homeless, or will be homeless due to fleeing Domestic Violence. The current program serves 20 families and is being expanded to support a maximum of 75 families. Additional funding has been allocated to assist with the extraordinary need for rental assistance due to the COVID-19 Pandemic. The program is currently pulling individuals/families off the waiting list and will continue to utilize funding to assist as many eligible households as possible.
- The Agency continues to explore and develop opportunities with the Regional Behavioral Health Authority to expand housing opportunities for individuals and families who would qualify for behavioral health services.

Supplemental Information

- The Agency continues working with the Affiliate Non-Profit (a 501 C 3) of the Housing Authority and the Community Development Block Grant (CDBG) program on a new initiative in which a portion of CDBG funding is utilized to purchase homes. These homes are then managed by, the Tempe Coalition for Affordable Housing, Inc as permanently affordable rental homes available to Tempe residents with an income range of 0% to 80% of the current AMI. Additionally, the Agency continues to review the feasibility of Project Basing vouchers to these units. Should it be determined to be feasible and, in the community, best interest, then the Agency will initiate the process of project basing vouchers to these units. It is expected that this initiative will continue in future years. At this time there are 52 units being utilized as permanently affordable rental housing; this program will continue and is expected to grow.
- The Agency is continuing to work through the development and implementation of a collaboration with market rate developers for the inclusion of Workforce housing units being included in new complexes (single or multiple). These units would be subject to a monitoring requirement, and if this endeavor is successful the Agency would provide the income/eligibility verification during the affordability period. It is expected that this initiative will continue in future years.
- The Agency continues to actively seek outside grants and reviewing all leveraged funding options to support the mission of providing affordable housing to the residents of Tempe. All successful grant applications would be in conjunction with partner agencies, with the eligibility being determined by the PHA.
- The Agency intends to continue seeking, exploring and developing all viable options for affordable housing preservation, development and/or redevelopment within the City of Tempe regardless of specific listing in this document. Any programs, or housing options developed not specifically listed would be listed and reported upon with the next Annual PHA Plan.
