

REBATES

for Commercial
Water Conservation
and Efficiency

Save water and money through Tempe's rebate programs that support water conservation and efficiency upgrades.

Rebates for Commercial, Industrial and Institutional Customers

Non-Residential Turf Removal Rebate

Receive 25 cents per square foot of turf removed, up to, \$3,000, to install desert landscaping. For strips of grass between the sidewalk and the street, receive \$1.00 per linear foot, up to \$500.

Non-Residential Indoor Efficiency Fixture Rebate

Receive up to \$5,000 per property per fiscal year for the purchase and installation of approved indoor fixtures, including high efficiency toilets and urinals.

School Turf Efficiency Rebate

Receive up to \$3,000 for irrigation products installed at a public, private or charter school.

School Gardening Grant

Tempe helps schools create gardens with educational components. Receive grants up to \$1,000 per unique project.

Grant Funding

Additional funding is available annually for qualifying projects.

Tempe offers rebates for single family and multi-family residential customers.
