Escalante 50TH Anniversary Fall Festival

In the late 1960s, a local community action program provided adult and youth education, employment, and recreation services. In 1969, an additional youth program was developed to keep kids in school as a means of drop-out prevention. In May of 1971, the city of Tempe took over the management of the youth program, named the Youth Assistance Program, and opened the Escalante Community Center. Escalante also served as the home to the Tempe Community Action Program, known today as the Tempe Community Action Agency (TCAA).

Escalante in 1971

In addition, Escalante housed the Escalante Senior Center, and other programs sponsored by the city of Tempe Recreation Division. In 1991, a Project Intervention grant was awarded to the city, and to the Escalante Community Center. The three-year grant focused on parenting programs, drug and gang prevention, and community involvement. Soon after, programs at Escalante began to expand from the surrounding neighborhoods to more of the city. A new facility was built in 1997, increasing the footprint to more than 33,000 square feet including a gymnasium, new senior center, game rooms, computer lab, preschool classroom, and meeting rooms.

Celebrating 50 Years of Service

In keeping with decades of tradition and commitment to the community, Escalante will hold a 50TH Anniversary Fall Festival from 6 to 8 p.m. on Thursday, October 28. This family-friendly community event will bring people together for a night of carnival games, crafts, costumes, candy and commemoration of service to the community. The Escalante and Alegre Neighborhood Associations will hold their GAIN night, TCAA will host a 'spooky garden experience,' and the Thew Elementary School PTA will provide a concession stand.

Tempe Play Mobile rolls again!

The Play Mobile is back on the road! We are excited to resume park visits this fall, bringing sports equipment, games, arts and crafts, and more to Tempe parks.

Four vibrant parks have been identified—Hollis, Scudder, Selleh and Jaycee—for weekly visits. These parks have been our most popular since the inception of the Play Mobile program in 2019. They continue to draw participants from nearby TD3 elementary and middle schools including Connolly, Curry, Fees, Gilliland, Hudson, Rover and Scales. Play Mobile staff are on-site Monday, Tuesday and Thursday from 3 to 6 p.m. Visit TempePlayMobile.com for the complete schedule.

The Play Mobile program was active for 11 months prior to the onset of COVID-19. In that time, we engaged with more than 3,000 students. We had an additional 7,500+

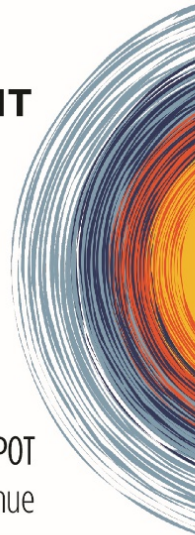

impressions from school visits, special events and community activities. Our goal is to reach these numbers again in the 2021- 22 school year. Returning to the parks, it is evident that the kids are happy to see the Play Mobile. Even after a six-month break, everyone who has participated before remembers all the program has to offer. Come out and play with us!
