USE PERMIT

The proposed use requires a Use Permit to allow entertainment within the PCC-1, Planned Commercial Center Neighborhood zoning district.

Section 6-308 E Approval criteria for Use Permit (*in italics*):

1. *Any significant increase in vehicular or pedestrian traffic*; Time Out Lounge is an existing business in the plaza and the proposed use of live entertainment is not expected to significantly increase traffic.
2. *Nuisance arising from the emission of odor, dust, gas, noise, vibration, smoke, heat or glare at a level exceeding that of ambient conditions*; All entertainment will occur indoors as a condition of approval, the entertainment portion of the business will be on the west side of the suite, mitigating sound from traveling to the residential areas to the north and east. The rear door on the east side of the suite will remain shut during live entertainment events. Hours of operation will also be restricted by condition of approval for this Use Permit.
3. *Contribution to the deterioration of the neighborhood or to the downgrading of property values, which is in conflict with the goals, objectives or policies for rehabilitation, redevelopment or conservation as set forth in the city's adopted plans or General Plan*; live entertainment is a permitted use within the PCC-1 zoning district subject to a Use Permit.
4. *Compatibility with existing surrounding structures and uses*; the suite is located in a commercial plaza at the intersection of two arterial streets and is bordered by other PCC-1 districts on two sides. There are two other businesses in the vicinity of Mill and Southern Avenues that have live entertainment Use Permits.
5. *Adequate control of disruptive behavior both inside and outside the premises which may create a nuisance to the surrounding area or general public*; a security plan will be required to be approved before the business begins to operate their entertainment use.
