## **State Legislative Update**

Today is the 19<sup>th</sup> day of the 2022 state legislative session and 1,303 bills have been posted. Additional bills will continue to be posted. The last day for Senate bills to be introduced without special permission is 1/31/22, and the last day for House bills to be introduced without special permission is 2/7/22. The bills of interest to Tempe will be added to lists (described below). Bills of significant interest will be highlighted in future memo summaries as the session progresses and bills gain momentum in the legislative process.

### ***Bill Lists***

The bills of interest to Tempe will both be added to the lists and be fine-tuned in the coming months as more information is available and as bills continue to be introduced and other bills die when they fail to meet deadlines for scheduling or passage. Staff is analyzing legislative proposals as they become available. The lists will be adjusted to reflect the latest available information.

The tracking list (List 1) that follows this memo includes the summaries of bills that may be of interest to Tempe. These lists are not exhaustive, and as more analysis is done, additional comments and/or bill tracking lists may be included. Readers can use the search/find tool (keyboard shortcut: press “Ctrl” and the “F” key) to search for terms of interest, like fireworks, rentals, zoning, etc.

In addition to the bills on the tracking list, the City will also be monitoring for proposals in areas including the following:

- Affordable Housing
- Short Term Rentals
- Proposition 400 Extension Authorization
- Local Zoning Issues
- Fireworks
- Tobacco/Vaping
- Taxation Proposals
- Water Policy

The city’s framework for responses to legislative proposals is the Council supported Tempe State Legislative Principles, which are available at [this link](#).

### **Prop 400 Extension Authorization Support Letter**

At the 1/26/22 MAG Regional Council meeting, the Council gave direction to send a letter to Senator Pace and Representative Carroll, the respective sponsors of SB 1356 and HB 2598, and the respective chairs of the Senate Transportation and Technology Committee and the House Transportation Committee. The letter thanks the bill sponsors, supports the proposed enabling legislation as introduced, and affirms the work of the MAG region to develop the extension of Proposition 400 investment plan. Mayor Woods joined the other members of the Council in signing onto the letter, which is attached.

### **US Conference of Mayors Winter Meeting**

Last week, Mayor Woods attended the United States Conference of Mayors’ 90th Winter Meeting in Washington, DC. The agenda is available at [this link](#).

***VIA HAND DELIVERY***

Dear Chairman Pace and Chairman Carroll:

It is with gratitude that we, the undersigned representatives from communities across the MAG region, write to thank you for your sponsorship of SB 1356 and HB 2598. These two companion bills (transportation tax; election; Maricopa County) are critical to all communities in Maricopa County, the metropolitan region, and the State of Arizona. The “Prop 400 extension” legislation will allow voters to choose whether to continue our region’s important investment in roads, highways, bridges, bicycle/pedestrian facilities, and robust public transit services.

We enthusiastically support the legislation. These bills are the result of a multi-year public planning effort that, through a legislatively prescribed process, culminated in unanimous support from our local agency representatives. Working together, we developed a transportation plan essential for Maricopa County—and the entire state—to continue sustained economic growth and prosperity.

Simply put: we worked with dedication for more than two years to produce a long-term, fiscally responsible transportation investment plan to keep our region growing. Everyone had a voice; all parties were invited to participate. Negotiations and compromise among all our agencies produced a plan that respects local needs and desires while recognizing political realities.

The legislation that will soon be heard in your respective committees reflects input and participation from a strong coalition of local communities, business interests, transportation and transit advocates, and the regional transportation planning agency. The transportation investment plan was built from the ground up by representatives from a variety of perspectives and interests; the contours of the legislation to implement that plan have been carefully considered, debated, and approved by stakeholders.

Revenue allocations in the 25-year investment plan are the result of a rigorous process, and SB 1356/HB 2598 respect that process by providing the statutory parameters needed to implement all aspects of the plan, from freeways to public transit. It is critical that plan allocations be respected in the legislation.

We support SB 1356/HB 2598 as introduced because it is the best possible legislation to continue the growth and prosperity of Maricopa County. Any efforts to materially disrupt this unanimously endorsed, carefully and considerately constructed plan, would be damaging to our communities, our constituents, and the State of Arizona.

Again, thank you for your efforts to this point. We stand ready to assist however possible and hope you will call on us if needed.

Sincerely,

<b>BILL NUMBER/ SHORT TITLE</b>	<b>SUMMARY</b>	<b>COMMENTS</b>
H2033: JUVENILE OFFENDERS; MONETARY SANCTIONS; REPEAL	Deletes various provisions allowing or requiring the court to require the parent or guardian of a minor child to bear the expense of the child's public defender, foster care services, diversion programs, probation services, or treatment or services while detained or incarcerated. Repeals various fees related to juvenile offenses. If a juvenile is required to pay a monetary assessment, the juvenile must have the option to satisfy the assessment through community restitution, paid at a rate equal to the minimum wage rounded up to the nearest dollar. The court is prohibited from ordering a juvenile or the juvenile's parent or guardian to pay a fee, fine, or cost that is not specifically required by the offense or citation. As session law, the unpaid outstanding balance of any fee, surcharge, or monetary assessment that was imposed on a juvenile or the juvenile's parent or guardian before the effective date of this legislation and that was amended or repealed by this legislation are eligible to be vacated. Collection enforcement measures cannot be initiated on eligible unpaid balances after the effective date of this legislation. Unsatisfied civil judgments for those fees are eligible to be deemed null and void. Within six months after the effective date, the Administrative Office of the Courts is required to develop and implement procedures for an individual to request a court to vacate an eligible unpaid balance or unsatisfied civil judgment. The court is authorized to automatically vacate any eligible unpaid balance or unsatisfied civil judgment by judicial discretion without requiring a request. Appropriates \$231,000 from the general fund in FY2022-23 to the Supreme Court for costs of court-ordered juvenile treatment services, and \$2.3 million from the general fund in FY2022-23 to each county for costs related to attorney fees, probation services and diversion expenses for juveniles.	
H2043: EMPLOYER LIABILITY; COVID-19 VACCINE REQUIREMENT	If an employer denies a religious exemption and requires a person to receive a COVID-19 vaccination as a prerequisite to or requirement for maintaining employment, the employer is liable to the person for damages that result from a significant injury that is caused by receiving the COVID-19 vaccination. A claimant who prevails under this provision must be awarded actual damages, court costs, and reasonable attorney fees or statutory damages of \$500,000, whichever is greater, and may also recover exemplary	General Comments (all lists): Problematic language

	damages. These rights supplement any other rights and remedies provided by law.	
H2069: VACATION RENTALS; SHORT-TERM RENTALS; REPEAL	Repeals statute that prohibits municipalities and counties from prohibiting vacation rentals or short-term rentals and that restricts the types of regulations that municipalities and counties may impose on vacation rentals or short-term rentals.	General Comments (all lists):  Would return local decision-making to cities regarding short-term rental businesses in neighborhoods. Twin bill is SB 1026
H2070: OPEN MEETINGS; CAPACITY; POSTING; VIOLATION	All public bodies are required to provide for a reasonable amount of seating to accommodate the anticipated attendance of all persons desiring to attend the deliberations and proceedings. The agenda for a public meeting is required to include notice of the time that the public will have physical access to the meeting place. A head of a public body that violates these requirements is liable for a civil penalty as provided in statute for open meeting law violations.	General Comments (all lists):  Neutral with amending language. Earlier: Concerning language. Example, moving sites for Council meetings depending on the agenda items is not a commonly held best practice
H2081: LAW ENFORCEMENT VIDEO RECORDINGS; REDACTIONS	Before a law enforcement agency releases a copy of a video recording from a law enforcement officer's body-worn camera to the public, the law enforcement agency must redact any portion of the video recording that shows the face or an identifiable body part of any person who appears in the video recording if the person is not the subject of a police investigation or enforcement action and the person was located in a private location or in a public location with an expectation of privacy, the person is a victim of or witness to a crime, or the person was in a state of undress and specified areas of the person's body were not covered. Does not apply to a person who provides the law enforcement agency with a written waiver to release the video recording without any redactions or to any law enforcement officers who are on duty.	
H2095: POSTING OF NOTICES; MUNICIPAL WEBSITES	Notices of election, invitations for bids, notices of letting contracts, laws and ordinances, and other notices of a public character issued by authority of the governing body of any municipality are required to be posted on the municipality's website.	
H2099: MUNICIPALITIES; MEMBERSHIP DUES; LIMIT	A municipality is prohibited from paying dues to a "membership organization" (defined) in an amount that is greater than the municipality's total population multiplied by the "per capita membership" (defined) amount paid by the most populous municipality that is also a member of the membership organization. H2107: EMERGENCY POWERS; BUSINESS CLOSURE; REPEAL.	The list of emergency powers of mayors of incorporated municipalities and chairmen of county boards of supervisors is modified to remove the authority to order the closing of any business.	General Comments (all lists):  Problematic
H2125: ELECTRONIC SMOKING DEVICES; RETAIL LICENSING	It is unlawful for a person to sell, give or furnish a tobacco product to a person who is under the minimum age of sale for tobacco products as set by the Federal Food, Drug, and Cosmetic Act, instead of for a person to sell or furnish tobacco products to minors. For the purposes this prohibition and statutes regulating tobacco sales, the definition of "tobacco products" is expanded to include any product containing, made of or derived from tobacco or nicotine and that is intended for human consumption, and to include an "electronic smoking device" (defined) and any substance that	General Comments (all lists):  Bill back by health associations. Cities and towns would retain local decision-making

	<p>may be aerosolized or vaporized by the device, whether or not it contains nicotine, and any component, part, or accessory that is used in the consumption of these products. Before distributing any tobacco product, a retail tobacco vendor or the vendor's representative or employee is required to verify that the purchaser is at least the minimum age of sale for tobacco products as set by the Federal Food, Drug, and Cosmetic Act. Establishes civil penalties for violations. The Department of Health Services (DHS) is required to conduct at least two unannounced compliance checks on a retail tobacco vendor annually. Beginning January 1, 2024, a retail tobacco vendor is prohibited from distributing tobacco products in Arizona without a valid tobacco retail sales license from DHS. DHS is required to establish fees for licenses. Licensing requirements are specified. Licenses are nontransferable and are valid for two years. Establishes civil penalties for selling tobacco products without a license. More.</p>	
H2130: RECREATIONAL USERS; PROPERTY	<p>A landowner, easement holder, lessee, tenant manager or occupant of private or public land does not owe a duty of care to keep the land safe for entry by others for recreational or educational purposes or to give any warning of a dangerous condition, use, structure or activity on that land to persons entering for those purposes. Installing a sign or other form of warning or failing to maintain a sign or warning does not create liability on the part of an owner, easement holder, lessee, tenant manager or occupant of land if there is no other basis for the liability. This legislation does not create a duty of care or basis of liability for injury to persons or property. Any person that uses the land of another for recreational or educational purposes with or without permission is liable for any damage to the land, property, livestock or crops that the person may cause while on that land.</p>

A county is authorized to deny a building permit application for one or more lots if a cease and desist or other similar notice has been sent to the applicant because they are under investigation for acting in concert to avoid subdivision laws.</p>	
H2159: LAW ENFORCEMENT OFFICERS; POLYGRAPH; EXAMINATIONS	<p>Law enforcement employers are no longer allowed to require a law enforcement officer to submit to a polygraph examination in certain circumstances. An employer may only administer a polygraph examination to a law enforcement officer if requested by the officer. During disciplinary action</p>	

	of a law enforcement officer, the hearing officer, administrative law judge, or appeals board are permitted to take into consideration violations of statutes regulating peace officer discipline as mitigation or aggravation in determining discipline. Repeals the requirement for online lodging operators to have a current transaction privilege tax license and related civil penalties for noncompliance. Requirements to qualify for the credit are specified. If the allowable credit exceeds taxes due, the unused amount may be carried forward for up to five consecutive tax years. The plan must specify the distribution of net revenues from the tax levy, with at least 52.5 percent of revenues distributed to the Regional Area Road Fund and at least 32.5 percent of revenues to the Public Transportation Fund. No more than 14 percent of the revenues may be spent on light rail systems. Before November 8, 2022, the Maricopa County board of supervisors is required to call a countywide election for the extension and levy of a county transportation excise tax as authorized by this legislation. Establishes requirements for the ballot and publicity pamphlet for the election. Emergency clause.	General Comments (all lists):  Support. Legislative authorization for Proposition 400 Extension with the Regional Transportation Plan (approved by Tempe and the other jurisdictions in the County through the MAG process) to be put before the voters in November. # MEMORANDUM

**TO:** Mayor and Council  
**THROUGH:** Keith Burke, Community Services Director, x5819  
Steven Methvin, Deputy City Manager, x8811  
**FROM:** Craig Hayton, Community Services Deputy Director, x5234  
**DATE:** January 28, 2022  
**SUBJECT:** Revision of Park Hours for Esquer Park

---

## PURPOSE:

Update Mayor and Council on the revision of park hours for Esquer Park.

## CITY COUNCIL STRATEGIC PRIORITY:

1.23 - Achieve ratings of “Very Satisfied” or “Satisfied” with the “Feeling of Safety in Parks” greater than or equal to the top 10% of the national benchmark cities as measured in the Community Survey.

## BACKGROUND INFORMATION:

In October 2021, the Victory Acres neighborhood contacted staff to request that their neighborhood park, Esquer Park, close at 10 p.m., instead of at midnight. The current ordinance, 23-36, provides flexibility for a park’s closing time if a park is equipped with lighting.

The City of Tempe Parks and Recreation Division, in partnership with Neighborhood Services, held a meeting at Esquer Park on November 2, 2021, followed by a four-week public survey period, seeking feedback on the proposed hours change. Eighty-eight percent (88%) of survey respondents were in favor of changing the park closing time from midnight to 10 p.m. On January 19, 2022, the Parks, Recreation, Golf and Double Butte Cemetery Advisory Board recommended to modify the hours based on community feedback.

## NEXT STEPS:

Signage reflecting new park hours for Esquer Park will be installed the week of January 31, 2022. Neighborhood Services will distribute postcards to community members to remind them of the updated park hours. Information will also be shared with various City of Tempe departments.
