Application for Use Permit for BID D SMOKE LLC

FEB. 2022

Introduction:

This narrative has been written to serve as a supplemental component of the Use Permit

Application submitted previously for BIG D Smoke LLC.

The applicant is Jinglin Du.

Location: 7520 S RURAL RD STE A13, TEMPE AZ, 85283

Summary:

BIG D SMOKE LLC is a local smoke shop, focusing on relatively high-end tobacco, cigars, and smoking tools. Therefore, the target customers of BIG D Smoke LLC are college students and middle class tobacco users.

1. Business: Smoke Shop
2. Operation:
 - a. Hours: 10AM to 10PM
 - b. Number of Employees: ONE or TWO
 - c. Customers: College students and middle class tobacco users
3. Impact to the surrounding area:

In general, BIG D SMOKE LLC is quite similar as a grocery store. We don't provide any trail. So there will be no odor, noise, smoke or heat at all to the surrounding area. We will not allow customers to smoke inside the store or at the store entrance or exit.

4. Changes to the building:

No changes to the existing structures are proposed with this permit, only some interior decoration and showcases.

5. Potential Impact

- a. Any significant vehicular or pedestrian traffic in adjacent areas;

Since this is a B2C business, there will be normal traffic as usual. It is a normal retail store and will not have any impact on the traffic in the area.

- b. Nuisance arising from the emission of odor, dust, gas, noise, vibration, smoke, heat or glare at a level exceeding that of ambient conditions;

We do not display products outside the store, and we do not allow customers to smoke inside the store or at the entrance and exit of the store, and we do not use more than normal lighting in the store. So it has no effect.

- c. Contribution to the deterioration of the neighborhood or to the downgrading of property values which, is in conflict with the goals, objectives or policies for rehabilitation, redevelopment or conservation as set forth in the city's adopted plans or General Plan;

Customers can have convenient access to high quality tobacco and cigars without spending more money. For tobacco users, we do believe that would be a benefit. At the same time, we will strictly abide by the law and will not sell tobacco products to anyone under 21. Our business locations are far from schools, and to protect young people in our community, we check the ID of every customer who appears to be under the age of 40.

- d. Compatibility with existing surrounding structures and uses;

I won't change the existing structure of the site, just paint the walls and carpet and put up the shipping containers.

e. Adequate control of disruptive behavior both inside and outside the premises, which may create a nuisance to the surrounding area or general public

We do not allow customers to smoke inside the store and at the entrance and exit of the store, and we will place a trash can at the entrance of the store. And put up a no-smoking sign at the entrance of the store.

Hi Lily,

To whom do I write to tell them that I do not want Big D smoke to inhabit our little shopping mall on Rural and Elliot? We've noticed an uptick of gang garbed individuals and gang tagging, along with vagrants along that area and these businesses often draw that clientele. There are ample smoke shops in Tempe already. I notice that Tempe has been very good about keeping Dispensories in neighbor neutral areas and we appreciate it.

My neighbor with two small children, whose back yard abuts DIRECTLY to this mall would certainly be adversely affected by increased vagrant/homeless traffic.

We are noticing a big uptick in vandalism and crime. Please keep these businesses out of our neighborhoods. Right now I have stopped walking the canals because of a big increase of these sometimes threatening individuals, it is a very sad thing.

Thanx a million for listening.

We love Tempe and appreciate all the things Corey's administration is doing to help those who are in need.
