

MEMORANDUM

TO: Mayor and Council
FROM: Lauri Vickers, Municipal Budget & Finance Analyst
THROUGH: Mark Day, Municipal Budget Director
DATE: August 26, 2022
SUBJECT: Tax Revenue Statistical Report – July 2022

Introduction

The Municipal Budget Office (MBO) reviews the City's privilege (sales) tax collections for the General Fund (1.2%), Transit Fund (0.5%) and Arts & Cultural Fund (0.1%) and the General Fund bed tax (5.0%) in order to monitor the financial performance of the City's largest revenue source. This monthly analysis also provides the opportunity to determine if adjustments need to be made for any significant variances to ensure continuity of programs and service delivery. The July 2022 report summarizes our analysis of the June sales activity reported to the Arizona Department of Revenue (ADOR).

Overall Highlights

Total fiscal year to date taxable sales increased by 5.6% over the same year to date period in the prior fiscal year. Total sales tax revenue is up 5.6% or \$927 thousand, due to growth in non-recurring business activities (\$1.0 million), rentals (\$409 thousand) and contracting (\$136 thousand) activity. The attached Executive Summary provides a summary of historical and current fiscal year taxable sales, sales tax collections by fund, tax revenues by business activity, and an analysis of retail tax revenues by activity.

General Fund Highlights

As the General Fund portion of the City's sales and bed tax revenue collections represents the General Fund's largest revenue source, further analysis is performed on these specific tax collections. The graph below depicts year to date General Fund historical sales and bed tax revenue from FY 2013/14 through FY 2022/23. General Fund sales and bed tax revenue for FY 2022/23 is up 7.0% or \$767 thousand over the prior year to date period.

General Fund Year to Date Sales and Bed Tax Collections through June

In addition to the 10-year historical comparison, we also review 12 months of General Fund monthly sales and bed tax collections compared to the previous year and to the FY 2022/23 adopted budget for the combined sales and bed tax, as noted in the graph below.

General Fund Monthly Sales and Bed Tax Collection vs. Previous Year

Finally, the MBO prepares the attached Actual to Budget Comparison report that provides a summary of FY 2022/23 General Fund sales tax, bed tax, and a combined total sales and bed tax collections compared to a projected budget amount for the month. Although sales and bed tax are not actually budgeted on a monthly basis, this type of analysis of actual collections compared to projections provides insight into sales and bed tax performance. Using this approach, fiscal year to date General Fund sales tax is \$616 thousand below revenue projections, General Fund bed tax is \$248 thousand below projections, and the combined General Fund sales and bed tax collections for the General Fund are \$864 thousand below the revenue projection.
